West Virginia Contractors Honored for Excellence In Construction

Charleston, WV - The Associated Builders and Contractors of West Virginia (ABC WV) – is proud to announce the 2009 Excellence in Construction, Eagle Award winners. ABC WV's Excellence in Construction Awards program has become a premier competition within the construction industry, recognizing the state's most outstanding construction projects, and safety programs.

“ABC WV is proud to celebrate our industry's leaders whose outstanding works exemplifies the idea that free enterprise promotes exceptional work, skill, training, and safety. This year's winners prove once again that ABC members are building great things for West Virginia,” said Wendy McCuskey, ABC WV President.

ABC's Excellence in Construction awards program recognizes the quality and innovation of merit shop construction and honors all members of the construction team, including the contractor, owner and design team. This year, ABC has winners in eleven separate categories. Winners selected were based on complexity, attractiveness, unusual challenges, completion time, workmanship, safety and budget.
