 National

IMPORTANT: Annual dues are based on the company's annual construction volume. Volume is determined by total sales on the applicant's most recently completed year (including subcontract work, material and labor). New members are required to pay one full year's dues; however, upon renewal, the unused months of the first year will be credited at the beginning of the next calendar year.

CATEGORIES:

CONTRACTOR (Dues categories 3-20): Firms active in the construction field; prime and subcontractors in all types of construction.

ASSOCIATE/SUPPLIER (Dues categories 1 and 2): Firms that provide services to the construction industry: i.e., architects, accountants, attorneys, insurance companies, consultants.

AMOUNT ENCLOSED: \$ _____
 (Make check payable to: ABC West Virginia)

Supplier-State Only	\$640.00
1 Associate	\$625.00
Associate-State Only	\$425.00

Tax Deductible Information

ABC dues are not deductible as a charitable contribution for Federal income tax purposes, but may be partially deductible as a business expense. ABC estimates that for Year 2011, 15% (fifteen percent) of your dues are not deductible because they are related to lobbying activities on behalf of ABC's members. \$42 of your annual dues goes toward your annual subscription to ABC's National Publication.
