

FOR IMMEDIATE RELEASE: June 17, 2010

ABC WV Announces the 2010 Mark Ware Construction Education Scholarship Winner

Charleston, WV, June 17, 2010 - Associated Builders & Contractors, WV Chapter (ABCWV) is pleased to announce Charles Woodson as the recipient of the 2010 Mark Ware Construction Education Scholarship.

Formally known as the Construction Education Scholarship, ABC WV has now changed the name to the Mark Ware Construction Education Scholarship in honor of Mark Ware who was the president of Tri-County Electric Co., Inc. and a past-chairman and active member of ABC WV. The purpose of the scholarship is to encourage youth to enter the construction industry and provide partial funding for their education.

Charles Woodson will receive funding to further his education at Bridgemont Community and Technical College. Mr. Woodson recently graduated from the Electrical Technology Program at the Fayette Institute of Technology (FIT) in Oak Hill. He recently received the honor of silver medalist at the State Skills USA Competition in Industrial Motors Control and is also a member of the National Technical Honor Society at FIT.

ABC WV will recognize Charles Woodson at our 2010 State Convention in August.

About ABC

Associated Builders and Contractors (ABC) is a national association with 77 chapters representing 25,000 merit shop construction and construction-related firms with two million employees. ABC's membership represents all specialties within the U.S. construction industry and is comprised primarily of firms that perform work in the industrial and commercial sectors of the industry. Our local West Virginia Chapter represents over 100 merit shop construction companies in West Virginia with over 2,500 employees.
